Dancing In The Light

Verse 1
I was chasing after lover
Searching high and low
But all this world could give
It was nothing but fool's gold

Pre-Chorus
You called me back where I belong
This heart has finally found a home

Chorus
You love, Your love took hold of me
Your love, Your love has set me free

Verse 2
This heart once made of stone
Is beating out Your song
Your fire in my bones
And Your whisper leads me on

Post-chorus
Now I'm dancing in the light
Of Your endless love
Where I know my fears have got no hold on me
