

PROPHETIC WORD

SUNDAY 19TH SEPTEMBER 2021 – 10AM SERVICE
FROM HUGH MARQUIS

I felt the Lord say, *“Get ready, get ready, get ready. For I am about to clear the tracks. I am about to clear the tracks in your life.”*

And I felt the Lord say, *“For some, I will lift off the self-limiting statements. For some, I will lift off the guilt and oppression that you’ve felt. For some, I will change the way you look at life. For some, I will look at you and look at you differently.”*

And I felt the Lord add... wow... *“That the lies of the past will be no more. Where you have put yourself in a position where you had words spoken over you and they hadn’t come to pass, and you said ‘I’m not worthy’”* the Lord said *“enough of the lies, enough of the lies”*

And I felt the Lord again repeat, *“for I am clearing the tracks and what used to be a train that would stop at all stations, for everything that was limited, I will now make express. I will make it an express train to take you from here to your destination.”*

And I felt the Lord say, *‘that what has limited you... is gone, and what is holding you back, is stopped, that He is clearing the tracks and He is making a way’*
