February 2021

Dear Parents,

We now have the ability to check children into C3 Kids (including Little Blessings) during the pre-service check-in process (for COVID contact tracing purposes). We are happy for children to be checked in at this time, but we do ask that parents/guardians follow these guidelines:

- You will remain responsible for your child(ren) until they are brought to C3 Kids at the designated time in the service
- You, or a designated responsible adult, will accompany your child(ren) to the relevant C3 Kids room(s) and make sure the leader of that room is present before leaving your child(ren)
- If your child(ren) is/are checked in to C3 Kids pre-service but are no longer attending that day's session, please also remember to check them out prior to the commencement of C3 Kids so the leaders are aware that they are no longer attending.

When checking your children in during the pre-service check-in process please:

- Check **everyone** (including children) into the 10am Sunday service
- Check children into relevant C3 Kids rooms

The option to check children in to C3 Kids prior to the service will remain in place even once covid contact tracing requirements are no longer required for the main service.

Please don't forget that we do need children to be checked out at the end of the service by the parent/guardian or nominated responsible adult. The safety of your children is important to us.

If you wish to be able to use this option, please return the slip below to Kylie Hepi or the church office.

When using the pre-service check in option for C3 Kids,

I/we, _____, parent/guardian of,

parent's full name(s)

children(s) names

agree to the C3 Kids Check-in guidelines outlined above.
