HEROES OF THE FAITH

THIS PROGRAM

WK 2 PRE.

There are many stories in the bible of men and women putting their faith into action and achieving great things for God. In this program, we are learning about some of these 'heroes of the faith' listed in Hebrews 11. Our heart is that your pre-schoolers will be encouraged that they, too, can be strong and courageous, believing in God. As we read each story and what we can learn from them, we are teaching the kids that faith is believing in God, He can help us to be strong and have courage!

Our repeated phrase is: Faith is believing in God, He can help us to be strong and have courage!

This weeks key point: God always keeps his promise.

Our Memory Verse is: "So be strong and courageous, all you who put your hope in the LORD!" - Psalm 31:24 (NLT)

WEEK 2: NOAH - GOD ALWAYS KEEPS HIS PROMISES

Today we are learning about Noah who is a great hero of the faith! God told Noah that He was going to flood the earth to take all the evil people away, but promised to keep Noah and his family safe because they loved God. He told Noah to build a big boat called an ark and fill it with 2 of each animal. Noah obeyed God and soon found out that God always keeps His promises! Then God promised to never flood the whole earth again and made a rainbow to remind us of this promise. God makes us many promises, that we can find in the bible. This week we are teaching our pre-schoolers that **God always keeps His promises**.

RESOURCES

- The Storybook bible by Sally Lloyd-Jones for connect groups.
- Paper plates and either (A) Coloured play-dough or (B) glue, scissors, the Wk 2 craft template and colouring pencils for the craft.

GAME: CAT AND MOUSE

Select one child to be the cat and one to be the mouse. Have the remaining kids form a circle holding hands - with the mouse inside the circle and the cat outside. All together the kids walk around in their circle hand in hand chanting 'What time is it? Just struck nine. Is the cat at home? He's about to dine!' When the rhyme stops, the kids stop moving and the cat must chase the mouse, who should weave in and out of the circle (under kids arms). The cat MUST follow the same path of the mouse. Once caught, you can pick a new cat and mouse!

VIDEO FOLLOW-UP

Today we are learning about how God always keeps His promises! In the story of Noah, God told Noah that He was going to send a flood to earth to get rid of all the evil people who were hurting each other. But, God promised to keep Noah and his family safe! God kept His promise to Noah and He keeps his promises to us too. We find His promises to us in the bible and we believe them with our whole heart because **God always keeps His promises**.

- 1. Who did Rory meet when He jumped into the bible?
- 2. What did God promise Noah when He said He was sending a flood to the earth?
- 3. Did God keep His promise?

ILLUSTRATION IDEA

Pick a child or leader to help you and ask them whether they trust you to keep your promises? Then ask them to turn and face the opposite direction to you. Make a point to promise the child that you WILL catch them! On the count of three the child needs to fall back and you need to catch them. Start with a very small gap and continue widening the gap (only until you are confident that you will catch the child/leader.) Explain to the kids that just like your helper was nervous but trusted you - we trust in God even when we're nervous too! We believe He keeps His promises. That's what faith is! Believing in God. Have the kids repeat after you in their loudest voices "Faith is believing in God, He always keeps His promises!" Then have them whisper "I believe God keeps His promises"

CONNECT GROUP & STORY TIME

CRAFT: CREATE NOAH'S ARK!

Explain to the kids that they will be making their very own Noahs ark and animals to remind them that God always keeps His promises. .
