

OVERVIEW

There are many stories in the Bible of men and women putting their faith into action and achieving great things for God. In this program, we are learning about some of these 'heroes of the faith' listed in Hebrews 11. Our heart is that kids will see the many ways they can activate their faith in their lives, learning from these great men and women who have gone before us. Faith is confidence in what we hope for and assurance about what we do not see. We don't trust our feelings or what our circumstance looks like, we have faith in God with the help of the Holy Spirit!

Memory Verse: "Now faith is confidence in what we hope for and assurance about what we do not see."

- Hebrews 11:1

Repeated Phrase: Like the faith heroes in the Bible, no matter what we face, faith in God has great reward!

HOW TO PREPARE

Here are some tips on how to prepare for the service!

1. Allocate roles in advance and send the content to your team. A good combo for a 2 person primary team is to have one team member be the 'host' running the game, introducing the repeated phrase and memory verse, communicating the behaviour code and facilitating the offering moment. The second leader can bring the word, pray with the kids and both can run connect groups.
2. Resource Prep: Ensure all materials and resources are available, particularly for the game which may need some preparation.
3. Illustration Prep: Consider the illustration and what materials you may need to source from home.
